

Connecticut River

From Jackson's Lodge: The best place to put in your boat is right in Canaan, Vermont. (You will need to make sure that you have a car ready to transport your boats back in Colebrook-or wherever you choose to stop- however). Head out on Rte. 114 down the hill and into the town of Canaan. Just before the bridge into New Hampshire, there is a small turn off on the right hand side. You can park your car there and that is where you can put your boat in.
