

Norton Pond

From Jackson's Lodge: Go south on Rte. 114, past April's Maple, and the Lakeview Store. Continue on past the Norton-Canada Border crossing, and into the town of Norton. After about 15 miles, you will come to a lake on the right hand side of Rte. 114. This is Norton Pond. There is a boat access on the right side that is clearly labeled "Norton Pond Boat Access".
