

Beaver Brook Falls

From Jackson's Lodge: Take a left onto Rte. 114 and go down through the town of Canaan and across the bridge into West Stewartstown, New Hampshire. Take a right onto Rte. 3 and head up towards Colebrook, NH. Go through the town of Colebrook, and take a left onto Rte. 145 (there is a hospital sign there).

At the 'Y' in the road, stay left. Continue on this road for a few miles, and just after you curve around a bend, the falls will be on the right hand side. (Pay attention, as it does come up pretty fast).
