

Little Averill Lake

From Jackson's Lodge: Go south on Rte. 114, past April's Maple. After about 2 miles, on the left hand side you will see a little white store "Lake View Store", continue past this store and turn left onto Jackson Rd (just after Big Averill Lake ends). Continue down this road, bearing right when the road comes to a 'Y'. You will come to a small lake access where you can park your car and put in your kayak or canoe.
