

### **NH Route 3 (Moose Alley)**

From Jackson's Lodge: Turn left onto Rte. 114 and heads into the town of Canaan. Go over the bridge into West Stewartstown, and at the intersection of Rte. 114 and Rte. 3, take a left. Head up into Pittsburg, New Hampshire.

Moose Alley in New Hampshire is actually a pretty good stretch of road. Stretching over 22 miles, moose can be seen anywhere between the town of Pittsburg all the way up to the Canadian border.

Once you go through the town of Pittsburg, up on the left hand side (just past the fire department), is a small area where moose are sometime seen (be careful, as it's around a sharp turn, and if you stop, people behind you might not be able to see that).

The next spots are anywhere between the 1<sup>st</sup> Connecticut Lake, all the way up to the 4<sup>th</sup> Connecticut Lake.
